West at Home

The West at Home Difference

There are six key aspects to every West at Home solution that are critical to the success of your home-based agent program. We have developed key differentiators in each that will help deliver unprecedented results for your company.

Hiring – At the heart of every program are the extraordinary agents we are able to hire.

- 100% virtual recruiting and hiring
- Employee-based model
- Automated profiling tools help maximize the labor pool

Training – Our training allows agents to focus on your brand and take performance to a new level.

- 100% computer-based training or classroom hybrid
- Dedicated internal training development team
- Reduced training times and increased class sizes lead to accelerated ramps

Scheduling – We deliver the optimum number of the best qualified agents to handle your calls.

- Spectrum® Workforce Management
- Agent empowered scheduling
- Scheduling available in half-hour shifts

Operations – Our extensive experience and proven operational methods help ensure success.

- 8-to-1 Performance Assessment Liaison (Supervisor) ratio
- Call/Data recording and voice of the customer surveys
- Multi-channel and real-time agent communications

Infrastructure – Our sophisticated and technologically advanced infrastructure delivers unparalleled results.

- Flexible routing technology with multiple ACD options
- Skills-based routing
- 14 patents pending

Security – Stringent security measures help keep your valuable customer data safe.

- 24 points of security
- Locked-Down Desktop
- PCI, HIPPA & SOX Compliant
